

# AESOP QUALITY RECOGNITION FOR PLANNING PROGRAMMES

---

After a thorough examination of its contents and methods, the Master programme in

**Urban and Regional Planning**

offered by the

**Technical University of Madrid**

has been highly distinguished with the

**AESOP CERTIFICATE OF QUALITY**

We certify that:

**This programme fulfils the European quality standards of planning programmes according to the AESOP Charter, complemented by an effective internationalization of teaching and learning processes**

This certificate is valid for a period of six years.

Porto, 22 January 2016

Francesco Lo Piccolo  
AESOP President

Paulo Pinho  
AESOP Secretary General
