

QUALITY RECOGNITION AESOP

M.Sc in Urban Planning and Policy Design **School of Architecture Urban Planning Construction** **Engineering, Politecnico di Milano**

Evaluation Report

After an in-depth examination of its academic curriculum and teaching pedagogy the M.Sc in Urban Planning and Policy Design offered in the School of Architecture Urban Planning Construction Engineering, Politecnico di Milano, has been conferred the AESOP Certificate of Quality.

The Master Programme in Urban Planning and Policy Design delivered at the School of Architecture Urban Planning Construction Engineering has been assessed by two assessors appointed by the Chair of the Excellence in Education Board. The Quality Assurance Committee comprised of six members from member-schools of the Association of European Schools of Planning. The Committee certifies that the above programme fulfils the criteria for quality assurance.

Quality in Planning Education

The Master Programme in Urban Planning and Policy Design delivered at the School of Architecture Urban Planning Construction Engineering is distinctive in the combination of the Mediterranean tradition of spatial planning, Anglo-Saxon policy analysis, and social sciences. It brings together the following aspects of quality in planning education:

- Programme Curriculum and Identity

- The combination of design, policy analysis, urban studies, and social sciences.
- Incorporation of ethics and the reflexivity in exploring the neutrality of planners within contexts of power.
- The eminent teaching team bringing a wide variety of planning and policy expertise to the curriculum.
