ON BEHALF OF THE ASSOCIATION OF EUROPEAN SCHOOLS OF PLANNING (AESOP) AND THE INTERNATIONAL FEDERATION FOR HOUSING AND PLANNING (IFHP) WE WOULD LIKE TO INVITE YOU TO A LECTURE BY PROFESSOR DANUTA HÜBNER 'SPACE AND PLACE AS INTEGRATING FACTORS IN POLICY-MAKING: NEW MODELS OF TERRITORIAL GOVERNANCE IN EUROPE' WHICH WILL TAKE PLACE AT THE INSTITUT SUPÉRIEUR D'URBANISME ET DE RÉNOVATION URBAINE AT 10:30 A.M. ON FRIDAY 5TH OCTOBER 2012 IN BRUSSELS.

This is the third event in the **Lecture Series** by well-known planners, policy-makers and other 'urban thinkers', which is being organised by AESOP and IFHP in the framework of respectively the Silver Jubilee (2012) and Centenary (2013). The lecturers have been asked to present their ideas on 'new vision' for planning and territorial development. The lecture will be rounded off with a question and answer discussion with the audience.

Professor Hübner, as an academic, politician, Parliamentarian and former European Commissioner for Regional Development, has a broad knowledge and experience in the

field of territorial development. She will present her vision of the possible future of territorial governance at different spatial scales.

The lecture will be followed by a roundtable workshop where invited experts engage in a debate with participants on a number of issues related to territorial governance, particularly with respect to Europe's urban areas.

We would be delighted if you could accept this invitation to both lecture and roundtable workshop.

We at AESOP and IFHP look forward to seeing you in Brussels on 5th October!
