## **ATLoT 2018 - Summer Edition**

### Welcome to the Swedish west coast and the 8:th ATLoT.

You are herby invited to a weekend of intense work and fun in an informal setting with other academics from around the world. The **A**ESOP **T**ransport **L**aboratry **o**f **T**hought is a complement to ordinary conferences in the fields of transport, mobility and planning, providing a space for radical new ideas and dedicated project collaboration under the same roof.

#### Location

Gothenburg University, Sven Lovén Centre for Marine Infrastructure. Tjärnö. Located on the coast 150 kilometers north of Gothenburg.

#### Travel

One train/bus every 2 hours from Gothenburg Central Station to Strömstad.The trip takes 2 hours and 30 minutes. Pick-up will be organized from Strömstad station from 13.00 on Saturday and back on Monday.

#### Accomodation

Single rooms with bedding and towels included. All meals and the monday morning boat-trip are included

#### Cost

Total cost is SEK 3000 which is equivalent to  $\in$  300. Payment can be made either by credit card at the site or by invoice after the workshop. **Cash payment is not accepted**.

#### Registration

Registration deadline is Thursday 31 May. Use the registration form on the following page. Send by e-mail to: anders.larsson@geography.gu.se The number of attendants is limited to 20 and registrations will be accepted on a first come, first served basis.

#### Virtual participation

Being there is of course the best alternative, However, we will test virtual participation via Skype or equivalent technologies. In the programme you can indicate for each session if you want to be part virtually. We provide no guarantee that it works, but we are keen to test.

#### Contact

Anders Larsson Human Geography Unit University of Gothenburg Department of Economy and Society School of Business, Economics and Law PO. Box 625, 405 30 Göteborg, Sweden E-mail: anders.larsson@geography.gu.se Web: https://es.handels.gu.se/english/units/unit-for-human-geography/research/research-groups/mobility-research-group
