

PLANNING FOR RESILIENT CITIES AND REGIONS

JOINT
AESOP/ACSP
CONGRESS
DUBLIN

2013

University College Dublin
The School of Geography, Planning and Environmental Policy

Joint AESOP/ACSP Congress Dublin 15th - 19th July 2013

We cordially invite you to Dublin, one of the most exciting and dynamic European cities, and to the wonderful island of Ireland – the place of *Celtic Tiger and Celtic Resilience*

Come to:

- hear and debate the latest in planning and policy research and practice
- visit sites of planning action and inaction – including new town development, urban cultural and waterfront regeneration, edge city development, post recession urban landscapes, social housing renewal, heritage preservation, transport planning and and city bike scheme, capital projects
- enjoy the Irish hospitality, beautiful landscapes and culture

Céad Míle Fáilte – A Hundred Thousand Welcomes!
